

60mm Zoom Spotting Scope

Designed for the value conscious outdoor enthusiast and bird watcher, Meade's spotting scopes can capture the panorama, and then zoom in for razor-sharp close detail of distant animals, people, or landmarks.

Meade's 20-60x60 waterproof spotting scope features a porro prism design that provides the ultimate protection in all weather conditions. Its 60mm fully coated objective lens gathers light for a clear, bright image. The 20x-60x variable magnification brings distant objects up to 60 times closer.

FEATURES

Durable Nylon Backpack

Makes transporting the scope easy and convenient. The spotting scope and tripod quickly store in pre-fitted compartments.

Sturdy and Lightweight

Polycarbonate construction reduces overall weight and makes the scope rugged and durable. Rubber armoring protects against damage from minor bumps and regular use.

Expandable Aluminum Tripod

Lightweight, sturdy tripod expands from 15" to 44" providing a stable but portable platform for viewing.
